

WELCOME

TAKE A MINUTE TO REST...

BENCH REST is a crucial part of the bread-making process, where the dough is left to rest and relax prior to shaping. It is a vital phase to ensure a good crumb and a great loaf structure. With this in mind, our philosophy revolves around the importance of having a moment to stop and relish things that make life great.

*Our **COMMITMENT**; we make as much as we can **FROM SCRATCH**, that's why we serve our food with our very own sourdough. We source **LOCAL** and try to keep our carbon footprint to the minimum.*
